Foreword:

I have great pleasure in publishing this edition of newsletter of College of Engineering, Phaltan. Phaltan Education Society's College of Engineering Phaltan commenced with a dream of holding the hands of students of rural area around Phaltan and making excellent quality education available to them at their doorsteps. Within a short span, it has risen to the position of being a prestigious Engineering College and it is a great exciting experience to see that in a barren land of 15 acres where once stillness and silence ruled now it is alive with life and buzz of activities that are definitely aimed to a noble end and purpose.

The infrastructure of our college is made available as per the rules of AICTE. Our dedicated faculties, well-furnished laboratories and professional culture in the campus provide education of advanced cutting edge technologies to create competent human resources to tackle the complex problems of modern era and good citizens for the better future of the country.

Prof. Dr. N. G. Narve

Principal

PES's College of Engineering, Phaltan

Prof. S. T. Kale & Prof. A. T. Bhosale - Editors

Mahatma Gandhi Jayanti

PES's College of Engineering, Phaltan celebrated Mahatama Gandhi Jayanti on 2nd Oct 2023. Gandhiji was a great leader who believed in non-violence, meaning not hurting anyone. He showed us that problems can be solved without fighting or violence. He also taught us the power of truth, known as "Satyagraha." All staff were present.

Prof. Gorad Sir giving speech on Mahatma Gandhi Javanti

All Students and staff were present

Maths Marathon

Maths Marathon was organized in Phaltan Education Society's College of Engineering, Phaltan on 09/10/2023 on the occasion of birth anniversary of Hon. Shrimant Sanjeevraje Naik Nimbalkar (Secretory-Phaltan Education Society). The inauguration of the program was done by the Principal of the college, Prof. Dr. N. G. Narve. At this time, First Year HOD Mr. S. T. Kale, and all first year faculties were present. The program began with principal sir and all the staff members giving birthday wishes to Hon. Shrimant Sanjeevraje Naik Nimbalkar. After that, Mr. S. T. Kale gave brief information and instructions about Marathon 9 hours problem solving activity. Total 174 students were participated in this marathon.

Principal Prof. Dr. N. G. Narve and First year HOD Prof. S. T. Kale giving best wishes to all the students for maths marathon

First year Diploma students at maths marathon

Tree Plantation and Blood Donation camp

Tree Plantation and Blood Donation camp was organized in Phaltan Education Society's College of Engineering, Phaltan on 09/10/2023 on the occasion of birth anniversary of Hon. Shrimant Sanjeevraje Naik Nimbalkar (Secretory-Phaltan Education Society).

Blood Donation Camp at PES's College of Engineering, Phaltan

Seminar on Benefits of Yoga and Meditation

A one-day seminar on "Benefits of Yoga and Meditation" was organized by Phaltan Education Society's College of Engineering, Phaltan on 07/11/2023. The program was inaugurated by the Principal, Prof. Dr. N. G. Narve. The seminar was led by Dr. Vidya Pol and Mrs. Date madam (Art of Living). Total 113 students were present for this seminar.

Guest Lecture on Career Guidance

PES's COE, Phaltan organized guest lecture on Careers Guidance. Students from FY Diplma attended the guest lecture, where host of the program was Mr. Satya Saste from Founder/CEO, Dendrite.ai, Pune who give the guidance about careers in IT industry.

Prof. V. V. Gundage sir giving introduction of guest Mr. Satva Saste

Mr.Satya Saste giving guidance about career to students

Mahaparinirvan Din

PES's College of Engineering, Phaltan organized Mahaparinirvan Din on 6th Dec 2023. Mahaparinirvan Din is a day observed on December 6th to mark the death anniversary of Dr. Bhimrao Ambedkar, the architect of the Indian Constitution.

All Staff present for celebration of Mahaparinirvan Din

National Mathamatics Day

PES's College of Engineering, Phaltan Celebtated National Mathematics Day on 22 Dec 2023. Every year since 2012, December 22 is celebrated as National Mathematics Day. The then Prime Minister, Dr Manmohan Singh honoured the birth anniversary of Ramanujan by designating this day as the National Mathematics Day. December 22 is celebrated to honour and cherish Ramanujan's contribution to Mathematics.

All Staff present for celebration of Mathematics Day

Floral Tribute to Bhagwan Birsa Munda and Tribal Freedom Fighters

The event "Floral Tribute to Bhagwan Birsa Munda" was organized at the College of Engineering, Phaltan, as part of the Jan Jatiya Gaurav Diwas Celebrations. The objective of this event was to pay homage to Bhagwan Birsa Munda and other tribal freedom fighters, recognizing their significant contributions to the nation.

All Staff were present for Floral Tribute to Bhagwan Birsa Munda

Sports

PES's College of Engineering, Phaltan got remarkable achievements in sports.

Women's team of College of Engineering, Phaltan won the Kolhapur Divisional Vollyball First Prize

PES's College of Engineering, Phaltan Kho -Kho State Level Champion Ms. Geethajanli Jadhav of First Year Selected for Inter-Divisional State Level Kho-Kho Competitionship.

E & TC ENGINEERING DEPARTMENT

Guest lecture on Job Placement Guidance & Counselling after Graduation

E & TC Engineering Department had organised Guest lecture on Job Placement Guidance & Counselling after Graduation. The Resource PersonMs. Pratima Chavan guided the students about the career selection. The resource person informed the students about the job opportunities in IAS, PCS, Corporate, etc. and gave some tips on how to attend the interview.

Guest lecture on Entrepreneurial Opportunities & Financial Schemes

E & TC Engineering Department had organized Expert lecture on "Entrepreneurial Opportunities & Financial Schemes" on 17th Oct 2023. The lecture on "Entrepreneurial Opportunities & Financial Schemes" was organized to provide valuable insights and guidance & aspiring to the students regarding the identification of entrepreneurial opportunities and understanding financial schemes that can support their ventures

Mr. A. S. Babar explaining about Entrepreneurial Opportunities

Guest lecture on Fundamental of Cellular System

E & TC Engineering Department had organized guest lecture on Fundamental of Cellular System on 16th Oct 2023. Mr. M. M. Kokare sir has started with introduction of BSNL. BSNL has installed Quality Telecom Network in the country & now focusing on improving it, expanding the network, introducing new telecom services with Information Communication Technology applications in villages & winning customer's confidence.

Felicitation of Guest

The Primary requirement of any Telephone System is that service shall be available to the subscriber at all times. The electrical energy required for signaling, switching, speech transmission etc. in telephone exchange is derived either directly or indirectly from the public supply.

Guest Introduction by Prof. S. D. Jadhav

Five Days Workshop on Design VLSI

E & TC Engineering Department had organized Five days' Workshop on Design VLSI from 31/10/2023 to 4/11/2023. Mr.Suryakant Dodmise, CEO of SIBIC kolhapur.was resource person for this workshop. Total 43 students attebded this workshop. VLSI is mainly used to design electronic components like microprocessors and memory chips, which

millions of transistorsVLSI is a technical domain, it is based on electrical engineering. VLSI professionals are always in high demand for the ever-evolving industry it has become, they have a very bright future in the VLSI industry.

MECHANICAL ENGINEERING, DEPARTMENT

Industrial Visit at Cummins india Ltd

Mechanical Engineering, Department organized Industrial Visit to Cummins india Ltd on 6th Oct 2023. Total 15 students were present for this visit with respective staff. Cummins, however, is no longer just an engine business, but a global power leader manufacturing diesel and natural gas engines, hybrid engines, generators, and is upcoming in electrified power.

All Students with faculty present at Cummins India Ltd.

Industrial Visit at Cummins india Ltd

On October 28, 2023, a group of 25 students and 2 staff members embarked on an industrial visit to Cummins India Pvt. Ltd. located in Phaltan. The purpose of the visit was to gain practical insights into the manufacturing and operational processes of Cummins.

All Students with faculty present at Cummins India Ltd.

Student Development Program on 3D modeling (CATIA V6) & Additive Manufacturing

Mechanical Engineering, Department organized Student development program on 3D modeling (CATIA V6) & Additive Manufacturing from 11st Nov 2023 to 7th Nov 2023. The workshop was conducted by Ascent Softech, Baramati. CATIA is a computer-aided design (CAD) software suite that includes 3D modeling, computer-aided manufacturing (CAM), and computer-aided engineering (CAE).

Felicitation of Trainer by Principal Sir

All Students attended the Workshop

SCIENCE & HUMANITY DEPARTMENT

Industrial Visit at Sagunamata Construction

Science & Humanity Department organized industrial visit at Sagunamata Construction, Somanthali on 27th Oct 2023.At Sagunamata construction students visited the RMC Plant. Prof. K U Chavan , Prof. C M Gorad and Prof Ms. J D Gaikwad were present for visit with Students.

All Students and staff at Sagunamata Construction

Seminar on Startup ecosystem and business opportunities in India

A one-day seminar on "Startup Ecosystem and Business Opportunities" was organized by Phaltan Education Society's College of Engineering, Phaltan on 04/11/2023. The seminar aimed to foster the spirit of entrepreneurship among F. Y. students and provide them with valuable insights into the world of startups. The seminar was led by Mr. Suryakant Dodmise, Chief Executive Officer -SIDDHAM INNOVATION AND BUSINESS **INCUBATION** CENTER (SIBIC). Suryakant Dodmise covered the basics of entrepreneurship and the startup ecosystem. He began by defining entrepreneurship as the process of creating, developing, and managing a new business venture to make a profit.
