Foreword:

I have great pleasure in publishing this edition of newsletter of College of Engineering, Phaltan. Phaltan Education Society's College of Engineering Phaltan commenced with a dream of holding the hands of students of rural area around Phaltan and making excellent quality education available to them at their doorsteps. Within a short span, it has risen to the position of being a prestigious Engineering College and it is a great exciting experience to see that in a barren land of 15 acres where once stillness and silence ruled now it is alive with life and buzz of activities that are definitely aimed to a noble end and purpose.

The infrastructure of our college is made available as per the rules of AICTE. Our dedicated faculties, well-furnished laboratories and professional culture in the campus provide education of advanced cutting edge technologies to create competent human resources to tackle the complex problems of modern era and good citizens for the better future of the country.

Prof. Dr. N. G. Narve

Principal

PES's College of Engineering, Phaltan

Inside this Issue:

One Week FDP on Research Methodology & IPR

Jakson Generators Ltd. Drive

Thanks Giving & Jallosch Ceremony

Republic Day

One Week FDP on AI & AI Tools

Shivjayanti Celebration

Youth Festival 2025

Soft Skill & Aptitude Training

Hemoglobin Checkup Camp

Kurukshetra 2025

AI & DS Engineering

Civil Engineering

Computer Engineering

E & TC Engineering

Mechanical Engineering

Prof. A. T. Bhosale - Editor

One Week FDP on Research Methodology & IPR

PES's COE, Phaltan organized One Week FDP on Research Methodology & IPR from 6th Jan 2025 to 10th Jan 2025. Total 135 Faculty were present for this FDP. The objective of this FDP was to enhance the participants' understanding of the basics of Research Methodology and IPR. Dr. V.S. Kshirsagar, Dr. R.R. Gidde, Prof. I.M. Chandarki, Dr. S.S. Wangikar and Dr. Kisshor Shendage Sir were present as a Resource Person for this workshop.

Principal sir giving information about the FDP

Jakson Generators Ltd. Drive

PES's COE, Phaltan organized Jakson Generators Ltd. Drive for Mechanical Engineering students on 7th Jan 2025. Total three students were selected with a package of 5 LPA.

Thanks Giving & Jallosh Ceremony

On the achievement of NAAC 'A' grade for Degree courses and NBA for Diploma Mechanical and EnTC, PES's COE, celebrated **Thanks Giving & Jallosh Ceremony**. All governing council members, all teaching and non-teaching staff were present for this ceremony. Phaltan Education Society's Engineering College, Phaltan, has earned NAAC 'A' grade and NBA recognition, highlighting its commitment to quality education and modern facilities. Secretary Shrimant Sanjeevraje Naik Nimbalkar praised the principal and faculty for their dedicated efforts behind this achievement.

Republic Day

PES's COE, Phaltan celebrated Republic Day on 26th Jan 2025. All governing council members, all teaching and non-teaching staff were present for Republic Day.

One Week FDP on AI & AI Tools

PES's COE, Phaltan organized One Week FDP on AI and AI Tools from 6th Jan 2025 to 10th Jan 2025. Total 115 Faculty were present for this FDP. The objective of this FDP was to introduce faculty to the basics of Artificial Intelligence and practical AI tools, helping them enhance teaching, research, and problem-solving skills using modern technology. Mr. Akhtar Nadaf of TechnoWings India Mumbai was resource person of this workshop.

Shivjayanti Celebration

February 19 is celebrated with great enthusiasm across Maharashtra and India to commemorate the birth anniversary of Chhatrapati Shivaji Maharaj. On this occasion, Phaltan Education Society's College of Engineering organized various events filled with devotion and reverence. The celebration included participation from students, faculty, and staff. A grand rally was conducted from the Mahatma Phule Chowk. During the rally, students presented messages inspired by Shivaji Maharaj's vision, social values, and national service. At the statue, floral tributes were offered, and speeches were delivered reflecting Shivaji Maharaj's thoughts and ideals.

Youth Festival 2025

PES's COE, Phaltan organized organized Youth Festival from 4th March 2025 to 8th March 2025. It is a mixture of Sports and Cultural events .Youth Festival 2025 was inaugurated by the auspicious hands of Shrimant Sanjivraje Naik-Nimbalkar, Secretary PES, Phaltan and Chief Guest Hon. Shri. Pai. Vivek Vamanrao Gundage – All India Champion (Kusti).

Sports

Cultural

Soft Skill & Aptitude Training

PES's COE, Phaltan organised One Week Workshop on Soft Skills for First and Second year students of Degree from 11th March 2025 to 16th March. Total 250 students attended this workshop. Various Trainer of Aspiring Carrers, Pune, covered different topics like Group Discussion, Resume Writing, SWOT analysis, Basic Grammar and Fundamental of English, Aptitude Test and Logical reasoning etc. This included stage daring activities by giving tasks to groups to perform advertisement of a Product on stage and also announced winners of the activity. In Quantitative Aptitude **trainer covered the points like** Ratio and Proportion, LCM & HCF, Height & Distance, Seating Arrangement, Blood Relations etc.

Haemoglobin Checkup Camp

PES's COE, Phaltan organised Haemoglobin Checkup Camp for girls students of the college on 17th March 2025. Total 118 students present for Haemoglobin checkup. objective of Haemoglobin Checkup Camp to assess haemoglobin levels of students, raise awareness about anaemia, and promote healthy lifestyle and dietary habits for improved well-being.

Kurukshetra 2025

PES's COE, Phaltan organized Kurukshetra 2k25 on 29th March, 2025. PMJF Lion.Bhojraj Naik Nimbalkar, Immediate Past District Governor , Multiple Council Vice Chairperson was present as a Chief Guest for the Inaugural. Hon. Shrimant Sanjeevraje Naik Nimbalkar and other Governing Council members are present for inaugural function of Kurukshetra 2k24. PMJF Lion.Bhojraj Naik Nimbalkar made the participants aware about the cutting edge technology and told to take part in such events in other colleges also. For kurukshetra 2025, under different deaprtment we organized different activities such as CodeSprint, AI Conclave ,IdeaThon, Competitive Programming, CAD War 3D, Case Study, Model Exhibition, Waste to best Creation, Poster Presentation , Blind Coding, Science Exhibition, Paper Tower Making, Brick Bond Challenge, assembly Making etc.

Lamp Lightning on Occasion of Inaugral

AI & DS Engineering

Kurukshetra 2025

AI Conclave

AI Conclave is about how we put our topic related to AI, Knowledge, sense of humor, presentation in front of the public. They see the way we present it and our style of presenting the paper. The language we present the topic in. Technical presentations serve engineering, scientific and high tech purposes, describing advances in technology, problem resolution, and product design, project status. So this event was conducted in Kurukshetra-2K25. Akshada Katarak - Sakshi Jagtap and Sankalp Khatake-Abhinav Dhakpade are Winner and Runner up respectively for this event.

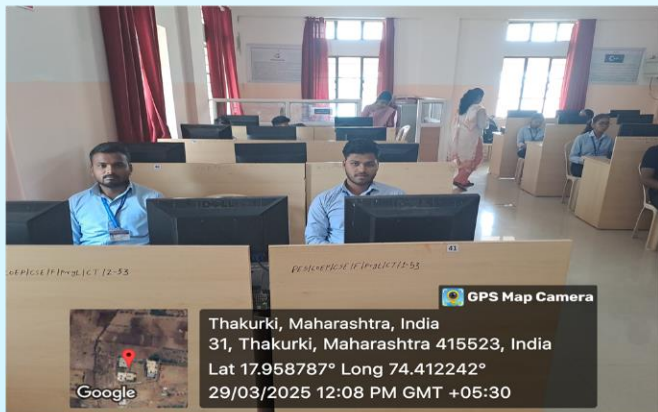

Thakurki, Maharashtra, India

Lat 17.956197° Long 74.41262°
29/03/2025 12:28 PM GMT +05:30

A group of approximately 15 people, including men and women, are standing on a stage. In the center, a man in a white shirt is presenting a large, ornate award to a woman in a pink shirt. Other individuals are standing behind them, some in suits and others in more casual attire. A large screen in the background displays the text 'CO-OWNERS' in a stylized font. The setting appears to be an indoor event space with a white wall and a ceiling fan.

Code Sprint (Python Coding) is the event in students has to give one MCQ based Python aptitude test in second round they have to solve problem Statement based on Python and in final round they have to implement Reverse Programming. Sumit Thombare and Kaivalya Doiphode are Winner and Runner up respectively for this event.

Brick Bond Challenge

A Brick Bond Challenge event is a hands-on competition where participants showcase their skills in bricklaying by constructing different types of brick bonds within a given time frame. This event is often organized for students to test their precision, speed, and knowledge of construction techniques. Brick Bond Challenge event provides a platform for Student to present their innovative ideas in actual practice. So, this event was conducted in Kurukshetra 2K25.. Mr. Pol Om Sunil and Mr. Pujari Chinmay Jivan are Winner and Runner up respectively for this event.

Civil Engineering

Kurukshetra 2025

Paper Presentation

Paper Presentation provides a platform for Student to present their topic about the particular subject of their area of interest. The main objective of this event is to encourage students to become involved in the dynamic profession of civil engineering and to apply their knowledge to prepare paper and present it. So this event was conducted in Kurukshetra 2K25 on 29/03/2025 in Class room no5

Paper Tower Model Making

Develops problem-solving and analytical thinking, enhances teamwork and time management skills, provides exposure to basic engineering and design concepts. So, this event was conducted in Kurukshetra 2K25. Shinde Dhanashri and Om Pol are Winner and Runner up respectively for this event

Computer Engineering

Kurukshetra 2025

Case Study Competition

A case study competition in the field of computer engineering provides a platform for students to apply technical knowledge to real-world scenarios involving system design, algorithm optimization, network security, or software architecture. Participants critically analyze problem statements, utilize engineering principles, and propose innovative. Bhoite Sanket and Jagdish Bhawar are Winner and Runner up respectively for this event

Competitive Programming

Competitive Programming is the event in which students has the opportunity to show off their computer programming skills. The goal of this event is to provide a fun, challenging, and educational experience for students. Thombare Sumit and Sapkal Vaishnavi are Winner and Runner up respectively for this event

Paper Presentation

Paper Presentation is about how we put our topic related to AI, Knowledge, sense of humor, presentation in front of the public. They see the way we present it and our style of presenting the paper. The language we present the topic in. Technical presentations serve engineering, scientific and high tech purposes, describing advances in technology, problem resolution, and product design, project status. So this event was conducted in Kurukshetra-2K25. Bhoite Sanket and Saniya Shaikh are Winner and Runner up respectively for this event.

E & TC Engineering

Kurukshetra 2025

Project Competition

A project competition event provides a platform for students to showcase innovative projects, fostering teamwork, practical skills, and interdisciplinary collaboration. It encourages experiential learning, prepares students for industry challenges, and offers networking opportunities. Omkar Ravindra Bagade and Khandalkar Sanchit are Winner and Runner up respectively for this event.

Technomind AI

The Technomind AI Event is a thrilling competition designed to challenge participants' knowledge, application skills, and innovation in Artificial Intelligence (AI). The event comprises three progressive rounds, each testing a different aspect of AI expertise. The Technomind AI Event is an excellent platform for aspiring AI enthusiasts to showcase their knowledge. Gauri Gade and Vahid Mujavar are Winner and Runner up respectively for this event.

LogoThon

The Logothon provided an excellent platform for participants to enhance their design thinking, gain industry-relevant knowledge, and compete in a high-energy, intellectually stimulating environment. The event concluded with the announcement of winners who demonstrated outstanding creativity, precision, and branding expertise. This event not only celebrated innovation in design but also encouraged learning, collaboration, and professional growth among aspiring designers.. Ms. Priti Kumbhar and Abhijeet Lakhole - Yashraj Bendre are Winner and Runner up respectively for this event.

Mechanical Engineering

Kurukshetra 2025

IdeaThon

“IdeaThon” a Technical Paper Presentation event on the occasion of KURUKSHETRA 2K25, the annual Mechanical Innovation Symposium organized by the Mechanical Engineering Department of PES’s College of Engineering, Phaltan, Held on 29th March 2025. IdeaThon showcased the ingenuity, creativity, and research prowess of students within the mechanical engineering domain.. Ravindra Durande and Sayee Bhosale are Winner and Runner up respectively for this event.

CAD War 3D

“CAD WAR 3D” is a event organized by Mechanical Engineering Department of PES’s COE, Phaltan on the occasion of KURUKSHETRA 2K25 on date 29th March, 2025 with enthusiasm and dynamism by the students. It is the event where you to get to test participant's design brilliance. Around 15 students from the departments & one from other college participated in the event. Shaikh Shahrukh and Jalgar Shivani are Winner and Runner up respectively for this event.

Assembly Making

The Assembly Making Competition at Kurukshetra 2k25, organized by the Mechanical Degree Department of PESCOE, was a resounding success. It achieved its objectives of enhancing practical skills, fostering teamwork, and raising sustainability awareness while aligning with DBATU’s POs. Congratulations to the winners, Mr. Rohit Kubal and Mr. Omkar Kalukhe, and the runners-up, Mr. Abhay Jadhav and Mr. Sangram Bhosale, for their outstanding performances. The Mechanical Department at PESCOE continues to

uphold its commitment to fostering innovation and practical learning.

Science & Humanity Department

Kurukshetra 2025

Model Exhibition

The Model Exhibition was successfully organized on 29, March 2025 in Kurukshetra 2025 at Physic Lab. The event aimed to encourage creativity, innovation, and technical skills among participants by providing a platform to showcase their models in various categories, including architectural, scientific, engineering & aeronautics. The exhibition featured models from students offering a diverse range of projects that highlighted both artistic and technical expertise. Mr. Adity Abhamg and Ms. Arpita Teli are Winner and Runner up respectively for this event.

Science Exhibition

As a part of KURUKSHETRA 2025, a state-level technical competition, the Department of Science & Humanities at PES's COE, phaltan successfully organized a Science Exhibition Competition on 29th March 2025. The primary objective of this event was to encourage innovation, creativity, and scientific thinking among students by providing them with a platform to showcase their talents through experiments and scientific models. Sushant Rohidas Kadam and Akanksha Laxman Pashikanti are Winner and Runner up respectively for this event.

Poster Presentation

The Department of Science and Humanities at Phaltan Education Society's College of Engineering, Phaltan, successfully organized a State-Level Poster Presentation Competition as a part of Kurukshetra 2025, a prestigious technical competition. The event witnessed enthusiastic participation from students across various engineering colleges and schools, making it a grand success. Ganesh Deshmukh and Sanjali Kadam are Winner and Runner up respectively for this event.

Achievements

BTech Computer student Sanket Pawar stood second in Hackathon NEST arranged by Novartis Pharmaceutical company and won prize of Rs.75000.

In the program organized by the Maharashtra Government's Forest Department for Van Vanava Parisanvad and Prize Distribution, the NSS degree and diploma unit of the PES's College of Engineering, Phaltan was honored with the 'Vanshree Award'

Dr D N Shinde of Science & Humanity Department received Best Paper Presentation award in International Conference by Dahiwadi college Dahiwadi.

Geetanjali Kale (Kho-Kho) and Adityi Raut and Maya Dhavale(Volleyball) of our College have been selected for the 26th Maharashtra State Inter-University Sports Competition 2024, to be held at Gondwana University, Gadchiroli from 17 to 22 February 2025.

Institute Vision

Phaltan Education Society's College of Engineering aspires to be recognized as the college of first choice for excellence in technical education.

Institute Mission

- To prepare specially rural students for a productive and rewarding career in engineering profession.
- To impart value added technical and soft skills for attaining excellence in Career
- To develop responsible citizens with ethical values.
